Commissioner for Patents

1. The reply filed on December 8, 2005 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): the status identifiers are incorrect for many of the claims. In response to the restriction election, many claims should be identified as "(withdrawn)"; however, there are no withdrawn claims in the present amendment. Also, applicant has amended some claims that read on the elected invention and species and also amended some claims that read on non-elected inventions and/or species (which is permissible). However, applicant requests that the amended claims be considered, which appears to be ambiguous because some of the non-elected, amended claims should be withdrawn from consideration. See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Eric Keasel whose telephone number is (571) 272-4929. The examiner can normally be reached on Monday-Friday. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Michael Mar can be reached on (571) 272-4906. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300. Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
